School of Mechanical and Manufacturing Engineering

Proforma for Registering Courses in Other Institutions of NUST (PhD)

A PhD student is allowed to register courses in other institutions of NUST provided that he/she gets an approval from the concerned officials at the parent school. Students are allowed to take three relevant courses outside of their approved curriculum during their coursework. An additional fee of 8000/- per credit hour will be charged for repeated courses/ alternate electives.

Name of student		Reg. #	
Semester	Spring / Fall	Department	BME/BMS/R&AI/DME/ME
Email		Entry	
Cell #		CGPA
