

School of Mechanical and Manufacturing Engineering

Proforma for the Registration of an Additional Course (PhD)

Note: A PhD student is allowed to take additional elective courses if recommended by the GEC. However, these courses will not count towards the CGPA, and their credit hours will not be counted in your attempted credits. A fee of 11000/- per credit hour will be charged for additional courses. An offered course may be dropped if the number of registered students is below 8.

Name of student		Reg. #	
Semester	Spring / Fall	Department	BME/BMS/R&AI/DME/ME
Email		Entry	
Cell #		CGPA	

(a) Names of courses to be registered as an additional course:

Sr. #	Course Code	Course Title	Credit hours
